Assistant Head Teacher - Teaching and Learning
Dear Applicant

Assistant Head Teacher at The Telford Priory School

Thank you for acquiring details of this exciting opportunity to join this wonderful new school for Telford. We are all exceptionally proud of the staff and young people at the school as they settle into new ways of working, form new powerful professional partnerships, make new friends and together achieve more than they ever thought possible.

The Telford Priory School joined our Trust officially on 1st November 2015, however we have been working with the leadership since well before this date. Our Trust originated as The Polesworth School Academy Trust and then became the Community Academies Trust after going into partnership with Birchwood Primary School in November 2012. Both of these schools were judged outstanding by OFSTED within the last 3 years. The Trust has grown since 2012 and now comprises five secondary schools and nine primary schools in Warwickshire, Staffordshire and Telford. Other schools are currently consulting on joining our Trust.

We are proud of our community school based origins and organize ourselves so that schools operate locally, sharing resources and excellent practice with other CAT schools that are geographically close. The Telford Priory School is in our Telford Hub that consists of two further secondary schools and a primary school.

Our Trust is a values driven organisation, believing fundamentally in the talent of young people and is driven to ensure local communities have exceptional schools. As a high performing sponsor, the Trust has a track record of improving schools and if successful you will be an important leader significantly influential on the journey of school improvement.

Your professional development is crucial to us and you will be well supported both by colleagues in The Telford Priory School and others across Telford and the wider Trust. This is a wonderful opportunity for an ambitious teacher. The opportunities for further professional progression and enrichment are significant and enhanced by our proactive approach to the support and development of our staff.

Good luck with your application. I look forward to meeting you.

At The Telford Priory School, we want to ensure that we embed the core values of the Community Academies Trust in everything that we do in our bid to Ensure Excellence.

We believe in the power of education and the endless possibilities which education can provide. Every day at TPS is a chance to transform lives and open doors for the young people we work with.

We value every child at TPS and welcome parents to talk to us about how best to support their child. Our half termly Parent Focus group sessions in particular are an opportunity to work with us to help develop our school.

We have high standards at TPS and insist on a professional look for our staff and students helping to create a core sense of learning and pride in everything that we do. All members of our community are dedicated to supporting one another to be the best that we can be.

We have high expectations for behaviour at TPS and expect our students to be excellent role models for one another. As part of our House system, students in our school work together for charity events and other community engagement projects.

Values & Ethos - Anyone can be a hero

At The Telford Priory School, we believe that everyone can be a hero in their own way. We believe that the small things that we do can make a positive difference to someone’s life and we encourage and celebrate the achievements of staff and students both inside and outside of school. We believe that it is the duty of everyone to keep learning and growing together to become the very best that they can be.

TPS is sponsored by The Community Academies Trust and as such our core values are underpinned by a set of principles that shape and define the way we work with the students in our care and the community we serve.

Our three main types of achievement are:

**Academic** - where students are challenged to achieve more than they ever thought possible. We aim to create learners who succeed regardless of their socio-economic background. We believe that all students who enter our school should be able to access quality learning which enables them to succeed and be prepared for the next step of their education and life.

**Relationships** - where excellent relationships for learning form the basis for all types of achievement. Relationships at The Telford Priory School are founded upon a mutual trust and respect between all members of our community where high standards and expectations of oneself and each other are the norm. We expect all members of our school community to be courteous, polite and treat others as they expect to be treated.

**Letting your light shine** - where all the young people in our care can achieve something they can and should be proud of every day, in addition to their academic achievement. We believe that all students need to find their passion and be supported to excel in these areas. All students and staff should be able to grow within our school and become the absolute best that they can be.
Our Values extend to how we challenge, support and work with each other. All staff (support and teaching) play a crucial role in the education of young people. We all understand how our work has a direct influence on the life chances of the young people in our care. In the same way that we all have a duty of care to them, we have a duty of care to each other and have regard for each other’s professional and personal well being.

All members of the staff community see themselves as learners. They are empowered to make decisions, be creative and to lead. Mutual respect pervades all relationships, working together to enhance professional learning and practice and collaboration; collegiality and a sense of team identifies how all staff work together. All staff have clarity and certainty about the direction our school is taking and can be working on only a few initiatives at any one time with a sense of how their work is contributing to that vision. Staff co-operate with each other and are not in competition with each other – they are part of a team that ensures our schools are among the best in the country.
