**'The strength of the TEAM is each individual member. The strength of each individual member is the TEAM'**

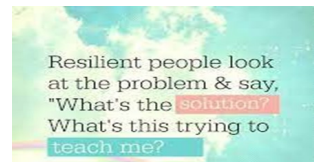

Firstly, I want to thank you all for your positive contributions this half term, it has been a very quick but productive 5 weeks. We have had our reports and parent consultation evening, which has provided us with the opportunity to reflect on our efforts in lessons and set targets for the last half term of the academic year. You should be proud of all your achievements and hard work that has gone into this feedback.

We have an exciting half term ahead as we finish your time in year 7. I want you to make sure that you make the most of everything that we are offering and ensure you are here on time every day ready to do that. This time of year is always fun with rewards activities, trips and celebrations of everything you have achieved this academic year before heading into the summer break. Make the most of this!

I hope you have a wonderful May half term, remember we are not back until Tuesday due to the Jubilee. Enjoy the celebrations.

Mrs Young and the Year 7 team

**Congratulations to Elena Fay S for achieving our TEAM7 Global Citizen Award :)**

## PRIORY VALUES

**P – Persevere**

**R – Respect** yourselves, each other and your environment

**I – Be Innovative**

**O – Take each Opportunity**

**R – Be Reflective**

**Y - YOU** as an individual count;

**YOU** can achieve;

**YOU** are the hero of your own life

## GOLDEN TICKET WINNERS

As a year group we have focused on being the best versions of ourselves and being respectful. One of our key targets this half term has been our 'line Ups'. Our golden ticket box is full - congratulations to those have received a Golden Ticket for excellence and to the weekly winners who have collected their prizes from Ms Jordan—WELL DONE!

Look out for the pictures in the rest of the newsletter.

## Looking ahead

### Inflatables Reward

As part of our end of year celebrations you will be given the opportunity to take part in our inflatables fun day. Make sure you are here everyday, being positive and productive to be given the opportunity. See below the pictures from last year.

### Trips

Big bang fayre— what a fantastic opportunity to have, the whole year group in Birmingham experiencing all the fun of STEM activities. Make sure you have paid via parent pay.

### Sports day

Sports day is always a great day for TPS, all students competing against each other and working together as a team to win the most points. I cant wait to see you all competing for the trophy.

### Graduation day

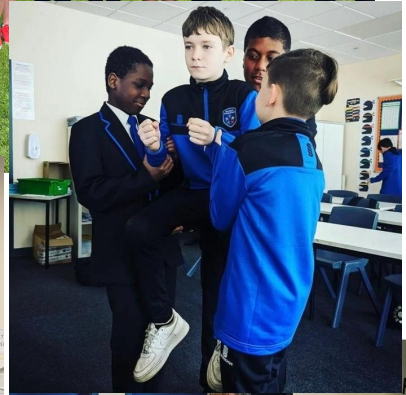

You have all been working hard to demonstrate our priory values, during this day we will give you the opportunity to increase the chance of completing the booklet. We have external providers in to help challenge you and give you experiences to become a Global Citizen.
