Food Bank

Thank you for all your efforts with the food-bank over this half term. it is important to be part of something so special and help contribute towards our community. Keep up the great work. In the New Year we will be deciding on our own charity for Team7 and how we can get involved to help raise money for others.

Anti-bullying/ world kindness and Children in Need:

Well done to all the students who took part. It is important to raise awareness for Anti Bullying and being part of that 'Change' through kindness. It was so rewarding to deliver over 600 kindness postcards that you had gone out of your way to write to each other and staff. We must always remember to be kind. We always RESPECT each other and I am proud of how comfortable our students felt in coming to school in their own cultural dress to demonstrate this respect. Well done to all involved we raised over £200 as a year group!
