

NEWSLETTER

Welcome to the first edition of the Team7 NEWSLETTER!

Firstly can I start by saying a massive thank you to you and your families for making the start of this academic year a brilliant one! As a year group you have shown maturity in your lessons, commitment to home learning and enthusiasm for extracurricular clubs. It has been a pleasure to be your head of year already! During this term we have looked at your transition from primary school and discussed any concerns you have had. In the next half term I want us as a year group to be more caring towards others; how can we help our local community as we go into the winter months? I hope you have a wonderful half term, stay safe and enjoy spending time with your loved ones. *Mrs Young*

Creating global citizens:

Our ambition at TPS is to ensure that you are ready to be successful adults in the wider community. To achieve this, over your time here we will provide you with lots of opportunities to develop skills not only in lessons, but during assemblies and sessions specific to the wider community.

I have been extremely proud of your friendship pledges, please have a look on the Year 7 notice board at these!

Congratulations to all of you who have been proactive and changed your completed reading books. It is so important that we read for pleasure, the benefits are huge! Well done on your engagement in DEAR daily, this will continue next half term.

Inter-form challenge

After half term we will be supporting our local food bank/charity with a food bank drive. If you could start to collect items of food that you can donate toward supporting our community that would be wonderful.

Tutors will have boxes in your tutor room to collect after half term.

It was wonderful to go on the trip to Stafford Castle with some of our year group, they could not have represented themselves and the school better; a huge well done. We all had a great day looking around the ruins, making coins and wearing some of the armour. Please ask the students about their day.

I look forward to more trips happening next half term, plus interhouse competitions and fixtures. Please keep an eye out for our year 7 trip too!
